Patty Needham, resident

The purpose of this special general meeting was to bring forward to the general members the issue of insurance for the AEA Board. A paper mailing and email was sent to current residents 30 days prior.

Insurance premium rose from \$575 in 2022 to over \$5,000 in 2023. This meeting was to discuss options with the general membership prior to the board making a decision.

Glen Barfield read the email replies from seven residents (Jay Fisher, Chris Needham, Mike and Robin Newman, Marty and Sandi Schaffer, Brian Lee, Sonny Cabrera and Rhea Romana). Glen also asked attendees for comments.

Options brought forward were to not carry insurance, raise road maintenance and other fees to pay for insurance or board members use personal liability insurance.

Board will discuss and vote as a board on what to do.

Meeting adjourned at 10:06 am
